Does she love me with, with all her heart?
And should I worry when we're apart?
That's a lover's question
I'd like to know, I'd like to know

Does she need me as she pretends?
Or is this a game but I wanna win
That's a lover's question, I'd like to know
Oh man I'd like to know

I'd like to know when she's not with me
Baby are you still true to me?
I'd like to know when you kiss me
Do you feel just what I feel?
How am I to know you're really real?

Baby, tell me where all, all the answer lies
Is it in your kiss honey or is it in your eyes?
That's a lover's question
I'd like to know, I'd like to know

And you've got to tell me baby, I've want to know it
And you're going to tell me and I've got to know what's
it

I'd like to know when you're not with me
Are you still true to me, oh man?
I'd like to know when you kiss me
Do you feel just what I feel?
How am I to know you're really real?

You've got to tell me where all the answer lies
Is it in your kiss honey or is it in your eyes?
Somebody's gotta tell me baby where the answer lies
I wanna know honey now and I wanna know baby
You've got to tell me, you've got to tell me baby
I wanna know honey, I wanna know
