Ole man trouble thee [Incomprehensible]
Go find you someone else to pick on
I live my life in doubt, you see now
Ole man trouble

Please stay away from me, [Incomprehensible]
Ooh yeah
Yeah

Oh, I look like I'm down with my luck
Please send faith to just help pick me up
I've lived this way for so many years,
[Incomprehensible]
Ole man trouble

Please wash away all my fears, ole man
Good Lord of mine
Help me when I fall

Sometimes, sometime I get a little worried
Ole man trouble, please, please
Stay away from me

Ole man trouble
Ole man trouble, Lord I
Ole man may return
Stay away, stay away
You are nothin' but trouble
Just stay away, stay away

Just stay away
You're nothin' but, nothin'
Nothin', but trouble
Please I said, trouble
Ole man trouble, leave me alone
