Pain in my heart
Is treating me cold
Where can my baby be?
Lord, no one knows

Pain in my heart
Just won't let me sleep
Where can my baby be?
Lord, where can she be?

And now the days has begin to get tough
Said, I want you to come back
Come back, come back, baby
I had enough, oh

A little pain in my heart
Just won't let me be
Wake up restless nights
Lord and I can't even sleep

Yeah
Stop this little pain in my heart

And now the days has begin to get rough
Said I want you to love me
Love me, love me, baby
Till I get enough, oh

Pain in my heart
Little pain in my heart
Stop this little pain in my heart
Stop this little pain in my heart

Someone stop this pain
Someone stop this pain, oh
