

## Otis Redding "Security"

Visit "[Security](#)" on [MotoLyrics.com](https://MotoLyrics.com)

I want security, yeah  
Without it I had a great loss, oh now  
Security, yeah  
And I want it at any cost, oh now  
Don't want no money, right now, nuh-now, nuh-now,  
nuh-now  
I don't want no fame

But security I have all of these things, yeah  
All of these things, yeah, now  
Security, yeah  
That's all I want from you, oh now  
Security, yeah  
And a little love that will be true, oh

Those sweet tender lips you know they tells me that  
You're the one for me  
Darling, how can I forget?  
How can I forget, yeah now?

I want security, yeah  
I'm telling you, once say again, oh now  
Security  
And I want it in the end, oh

Those sweet tender lips you know they tells me that  
You're the one for me  
Darling, how can I forget?  
How can I forget, yeah now?

Alone with just a little bit of soul, right now, baby  
Darling, everything is gonna be alright  
One more time, just one more time, baby  
Don't need, don't need time  
Pretty good babe now to  
Yeah, yeah, baby, baby  
Listen, listen now baby  
Com'on, com'on
