You left me for another  
You told me, he was your lover  
So I'm begging and I'm pleading  
And I'm down on bended knee, oh baby  
That's what my heart need

Baby, oh baby  
I'm calling you out loud and clear, baby, oh baby  
I love you, yes I do  
And I wanna be near you, oh baby  
That's what my heart need

Darling, my my darling  
I need you here right by my side, baby, darling  
If you hadn't left that day  
Then my love wouldn't be this way, oh baby  
That's what my heart need

Come on, my baby  
I said I need you right here by my side  
I said I need you, baby  
I need you here to protect me and be my guide  
And oh, oh, yeah baby

I know, I know you don't know what I mean, baby  
And ooh, baby, yeah, hey baby  
Hey hey baby  
Come on, come on and love me, baby, Lord  
Come on, come on and be right by my side  
Hey, come on, oh yeah yeah yeah
