{Two
One, two, ready, play}

You left on the water running now
When you left me behind
Baby now, you left all the water running, now
It's running from these eyes of mine

Baby, now that, you turned out the light of love
But you left with another guy
Honey, that me, you turned off all your love for me
But you forgot to turn off the cry
Ooh, forgot to turn off the cry

Baby, now that, you pull the shades way down low
And disconnect your telephone
But baby these tears are running from my eyes
I can't turn them off and on

Now baby now that, you left on the water running
When you left me behind
Let me tell you that you left all that water running
It's running from these eyes of mine

And now you go, you locked the door, left me outside
And then you throw the key away
Baby now that, you'll regret, baby, you'll be upset
Now when you get your water bill to pay
Ooh, when you get that water bill to pay

Honey now that, you left all the water running
Now when you left me behind
Let me tell you that you left, ooh, the water running
It's running from these eyes of mine

Baby now that you left, ooh, the water running
Running from these eyes of mine
Baby now that you left all the water running
When you left me behind
Ooh, you gotcha, when you left me behind

Let me tell you, you left, ooh, that water running now

Running from these eyes of mine
Aaha you, you left all that water running now
Running from these eyes of mine
