I dont' wanna loose  
This good thingBaby  
That I got If I do, now  
I would surely  
I got to, I got to loose a lot

Cause your love is better  
Than any love I know

I said its like thunder  
Its like lightning  
The way you love me is frightn'in  
I think I better knock, knock, knock on wood

I'm not superstitious  
OR About what?  
CT About you But I can't take no chance  
You got me spinning Spinning  
Baby I'm in a trance

Your love is better  
Than anything I know

I said its like thunder  
Its like lightning  
The way you love me is frightn'in  
I think I better knock, knock, knock on wood

I dont see that women  
Talkin about colourTo feel my loving colour  
You got me seeing  
She can really see  
That I can't get enough

Its just one touch  
From you baby  
You know it just means so much

I said its like thunder  
Its like lightning  
The way you love me is frightn'ing  
I think I better knock, knock, knock on wood

I think I better knock, knock, knock  
On wood  
I think I better knock, knock, knock on wood  
I think I better knock, knock, knock on wood
