Oh, my baby's comin' home tomorrow
Ain't that good news, man, ain't that news?
My baby's comin' home tomorrow
Ain't that news, man, ain't that news?

I got a letter just the other day
Telling me that she was on her way
Said she wants me to meet her at the station
Ain't that good news, man, ain't that news?

And in her letter, she said she she still loved me
Ain't that good news, man, ain't that news
In her letter, she still loved me
Ain't that news, man, ain't that news?

She said that she's sorry that she left
Found out, she don't want nobody else
She said she wants me all to herself
Ain't that good news, man, ain't that news?

Ain't that news, ain't that good news?
Man, I, I know that's news
My baby's comin' home tomorrow
Ain't that good news, man, ain't that news?

Have a party, party at the station
Ain't that good news, man, ain't that news?
We'll have a party at the station
Ain't that news, man, ain't that news?

I can't wait to get her home
Where we can be alone
Disconnect my telephone
Ain't that good news, man, ain't that news?

Ain't that news, ain't that good news?
Man, now, now, now, now, now, I know that's the news
Oh, my baby's comin' home tomorrow
Ain't that good news, man, ain't that news?

Ain't that news, ain't that good news?
Man, man, now, now, I know that's news

My baby's comin' home tomorrow
Ain't that good news, man, ain't that news?
