All Your Love - by Otis Rush
(transcribed from the version by Anson Funderberg)

All your love I miss loving
All you kiss I miss kissing
All your love I miss loving
Until I met you pretty baby
I didn't know what I was missing

All this love pretty baby
I have in store for you
All this love pretty baby
I have in store for you
The way I love you baby
I know you could love me too

Oh baby
You know I love you baby
I love you baby
You know I love you baby
I love love you baby
Like no one else could ever do
