Baby don't you know, you know I love you
Baby don't you know, you know I love you
C'mon baby, every, every, every day now
C'mon baby, every, every, every day now
Hey baby, I'm a lonely man

One day you're gonna miss me, wait and see
One day you're gonna miss me, wait and see
C'mon baby, every, every, every day now
C'mon baby, every, every, every day now
Hey baby, I'm a lonely man

Baby can't you see, can't you see I been cryin'
Baby can't you see, can't you see I been cryin'
C'mon baby, every, every, every day now
C'mon baby, every, every, every day now
Hey baby, I'm a lonely man

Baby can't you hear me, can't you hear me callin'
Baby can't you hear me, can't you hear me callin'
C'mon baby, every, every, every day now
C'mon baby, every, every, every day now
Hey baby, I'm a lonely man
