Feeling fine, Crossing oceans
Another mad man got stuck again
Felling fine, Crossing oceans
Another mad man got stuck again

[CHORUS]

Said down here, From our shelter
Pay my mobs, Buy some weed
Said down here, From our shelter
There's a bunch of slaves
And nowhere to go
Ten Million Slaves, Crossing oceans
They had shakles on their legs
Ten Million Slaves, Crossing oceans
They had shakles on their legs
Don't know where, Where they're going
Don't know where, Where they've been
Don't know where, Where they're going
Don't know where, Where they've been

Sun goes out, You'll be standing
You'll be standing by yourself
Sun goes out, You'll be standing
You'll be standing by yourself

[CHORUS]

Ten Million Slaves, Crossing oceans
They had shakles on their legs
Ten Million Slaves, Crossing oceans
They had shakles on their legs
Don't know where, Where they're going
Don't know where, Where they've been
Don't know where, Where they're going
Don't know where, Where they've been

Ten Million Slaves, Crossing oceans
They had shakles on thier legs
Two doors down, There goes Vansan
There is Aiden in her way
Don't know where, Where they're going

Don't know where, Where they've been
Don't know where, Where they're going
Don't know where, Where they've been

Sun goes out, You'll be standing
You'll be standing all alone
Sun goes out, You'll be standing
You'll be standing all alone
All Alone
All Alone
All Alone
All Alone
