Come down, come down
From your ivory tower
Let love come into you heart
Come down, come down
From your ivory tower
Don't keep us so far apart

I love you, I love you
Are you too far above me to hear

Come down, come down
From your ivory tower
You'll find true love has it charms
It's cold, so cold in your ivory tower
And warm, so warm in my arms

I love you, I love you
Are you too far above me to hear

Come down, come down
From your ivory tower
You'll find true love has it charms
It's cold, so cold in your ivory tower
And warm, so warm in my arms
