It can't hold a candle to the nights
I spent singing my lungs out
This is what I was always about

I guess I'll carry the cross for the idea
So many have lost
A shining example of what it was like to be young
And I'm not changing

My Feet Like Anchors -Burying Me-
Until My Ankles Break I'll Just Stay In The Sea
Just Like Anchors -Burying Me-
I'm In So Deep Currents Can't Carry Me

I am Left With Nothing More
My Chest Has Never Been So Sore
But When I Believe In Something
I Stand My Ground

My Feet Like Anchors -Burying Me-
Until My Ankles Break I'll Just Stay In The Sea
Just Like Anchors -Burying Me-
I'm In So Deep Currents Can't Carry Me

I need your eyes and I need your ears
For those who have heart, I'll make it clear
I'm not waiting on bated breath
Because my heart is closing inside my chest
Sometimes you gotta believe to see

There's no sleeping
When we keep dreaming
Never
How can we lose our way
When were
Standing on the
Shoulders of giants
No east no west
Put back your compass

My Feet Like Anchors -Burying Me-
Until My Ankles Break I'll Just Stay In The Sea

Just Like Anchors -Burying Me-
I'm In So Deep Currents Can't Carry Me

These winds change but we never will
Drifting away
We'll always stay
This is our home
And we are never alone
