You'll be surprised...  
By what you see tonight.  
You give,  
You want,  
You let go.  
I'll take your hand,  
And lead you to the fire.  
Now this is just what you want to see tonight.  
(This is just what you want to see tonight.)

You can run away,  
Your feelings will be just right behind.  
I can see your face.  
The sadness emits through your eyes.

You'll be surprised  
By what you see tonight.  
You give,  
You want,  
You let go.  
I'll take your hand,  
And lead you to the fire.  
Now this is just what you want to see tonight.  
(This is just what you want to see tonight.)

And slowly,  
You're falling into this dream,  
Where no one can hear you scream.

This won't go to waste.  
Don't let it fade away.  
Burn it to the ground.  
Close your eyes,  
'Cause this will be the last you'll see home tonight.  
So make a wish,  
And dry your face.

You'll be surprised  
By what you see tonight.  
You give,  
You want,  
You let go.

I'll take your hand,  
And lead you to the fire.  
Now this is just what you want to see tonight.  
(This is just what you want to see tonight.)

This won't go...  
This won't go...  
This won't go...  
This won't go...  
Away.
