We all stand up for something
We all stand up for one thing
Whatever that one thing maybe
You and me?
We all stand up together
Get knocked down - come back stronger
Our dreams are our dreams to keep - Believers

We all stand up and we all fall down -
there's a riot - there's a riot on the rooftops
hands thrown up but your feet still bound -
there's a riot - there's a riot on the rooftops
Hearts ring out!!!
You won't stop me screaming out -
there's a riot - there's a riot on the rooftops

They'll try and take our crown
Won't let them bring us down
No never not while i can breathe
Can't you see
I say we make a difference
God knows we've been persistent
Our dreams are our dreams to reach - Believers

We all stand up and we all fall down -
there's a riot - there's a riot on the rooftops
hands thrown up but your feet still bound -
there's a riot - there's a riot on the rooftops
Hearts ring out!!!
You won't stop me screaming out -
there's a riot - there's a riot on the rooftops

Something tells me all's not well there's a riot on the
rooftops
Lift us from this living hell there's a riot on the rooftops

We all stand up - We all fall down - We all stand up and
we all fall down
We all stand up - We all fall down - We all stand up and
we all fall down
Hearts ring out
You won't stop me screaming out -

There's a riot - there's a riot on the rooftops
We all stand up and we all fall down -
there's a riot - there's a riot on the rooftops
Hands thrown up but your feet still bound -
there's a riot - there's a riot on the rooftops
Hearts ring out!!!
You won't stop me screaming out -
there's a riot - there's a riot on the rooftops
