You look like shit

So glad you made it
So glad you came
So glad you made it - just a shame

She came dressed in red
But I want you instead
She came dressed in red
But I want you instead

Cell phone - hair straight
Tight jeans - myspace

So glad you made it - just a shame

She came dressed in red
But I want you instead
She came dressed in red
But I want you instead

She came dressed in red
But I want you instead

She came dressed in red
But I want you instead
She came dressed in red

But I want you instead

I want you instead (She wore red - She wore red)

I want you instead (She wore red - She wore red)

I want you instead (She wore red - She wore red)

I want you instead (She wore red - She wore red)
