"Shout It Out"

I can believe
In myself
Hold out my hands
Try to take hold
Raise up my arms
And reach out with hope.

Scream from the top of your voice
Shout it out loud, shout it out proud.
Say what you want to say
Shout it out loud, shout it out proud.

Breathe
With me

Talk sweet
Tell me whispers
Of your memories
Lie down
Close your eyes
Dream of what you think inside

Scream from the top of your voice
Shout it out loud, shout it out proud.
Say what you want to say
Shout it out loud, shout it out proud.

Breathe
With me

Wrap it round
Tie it tight
Say goodbye tonight

Scream from the top of your voice
Shout it out loud, shout it out proud.
Say what you want to say
Shout it out loud, shout it out proud.

Scream from the top of your voice
Shout it out loud, shout it out proud.

Say what you want to say

Breathe
With me
