Everything seems brutal  
Bruised and torn apart  
A self inflicted sadness from the start  
Now nothings clear and no-one's changed  
The song remains the same....

Hopeless - Anxious - Vacant - Focus  
Fuels my paranoid psychosis.....

You're still smiling  
For fear of finding  
All's not well that ends well can't you see.....

I don't wanna be  
I don't wanna be wasted  
And stuck inside this HATE HATE HATE filled memory  
I just wanna BURN BURN BURN all your photos up  
RUN RUN RUN 'cause I've had enough  
I hate the way you've always known I'm weak

Welcome to the circus  
Main attractions shame  
The illusion is I'm winning at this game  
Despite all being fake and so unreal  
The show just carries on.....

Hopeless - Anxious - Vacant - Focus  
Fuels my paranoid psychosis.....

You're still smiling  
For fear of finding  
All's not well that ends well can't you see.....

I don't wanna be  
I don't wanna be wasted  
And stuck inside this HATE HATE HATE filled memory  
I just wanna BURN BURN BURN all your photos up  
RUN RUN RUN 'cause I've had enough  
I hate the way you've always known i'm weak

Come On!!!

It's just my psychosis.....

I don't wanna be  
I don't wanna be wasted  
And stuck inside this HATE HATE HATE filled memory  
I just wanna BURN BURN BURN all your photos up  
RUN RUN RUN 'cause I've had enough  
I hate the way you've always known I'm weak  
I don't wanna be  
I don't wanna be wasted  
And stuck inside this HATE HATE HATE filled memory  
I just wanna BURN BURN BURN all your photos up  
RUN RUN RUN 'cause I've had enough  
I hate the way you've always known I'm weak
