Feeling fine, Lets rip out yours instead of mine
And all you need
Are several ways to watch me bleed?

Well, thanks for stoppin' this beating in my chest
It's easier now, and I'm happy like this
Just like this

Even though I ain't coming back now
I didn't mean to seem as though
I was so ungrateful for all you've done here
For yanking out my...

Honestly
You'd fuck your friends for all your needs
And stay the course
No, the universe ain't yours

Well, thanks for stopping this beating in my chest
It's easier now, and I'm happy like this
Just like this

Even though I ain't coming back now
I didn't mean to seem as though
I was so ungrateful for all you've done here
Even though I ain't coming back now
I didn't mean to seem as though

I was so ungrateful for all you've done here
For yanking out my...

And If I could only see this
If I could have one good reason
All my feelings out of season
Am I to thank for yanking out my...
For yanking out myÂ...

Feeling fine, let's rip out yours instead of mine
And all you need
Are several ways to watch me bleed?
Well, thanks for stopping this beating in my chest
It's easier now, and I'm happy like this

Just like this

Even though I ain't coming back now
I didn't mean to seem as though
I was so ungrateful for all you've done here
Even though I ain't coming back now
I didn't mean to seem as though
I was so ungrateful for all you've done here
For yanking out my...
For yanking out my...
