Your life has been so hard It's dried up angels that can't keep guard And I'm trying to reach your hand But I'm on fire I never planned to fade ... away Stay with me Just stop pretending when they say that you're nothing

Are you sad? Are you holding yourself? Are you locked in your room? You shouldn't beÂ... Are you sad? Are you holding yourself? Are you locked in your room? You shouldn't beÂ...

I'm drowning inside your head Help me to answer Help understand Why it's been so long since we talked like friends Please, forgive me I'm just a man Whose made mistakes Just stop pretending when they say you're nothing.

Are you sad? Are you holding yourself? Are you locked in your room? You shouldn't beÂ... Are you sad? Are you holding yourself? Are you locked in your room? You shouldn't beÂ... Ho Are you sad?

Are you holding yourself? Are you locked in your room? You shouldn't beÂ... Are you sad? Are you holding yourself? Are you locked in your room? You shouldn't beÂ... Ho ho ho Ho ho ho Ho ho You shouldn't be Ho ho ho Ho ho ho Ho ho You shouldn't be Are you sad? Are you holding yourself? Ho ho ho Ho ho You shouldn't be Are you sad? Are you holding yourself? Ho ho ho Ho ho You shouldn't be Are you sad? Are you holding yourself? Ho ho ho Ho ho
