Lately, I can't breathe
Waiting they're chasing me
No one listens
But I'm okay with it

Only I wonder why
If only my hands weren't tied
The world's a blister
But I'm okay with it
(Don't touch me)

What if I was there?
And what if I was scared?
I'm waitin' for
They're at my door
But I'll be back again

Lonely, I'm wandering
Patrolling for enemies
No one listens
But I'm okay with it
(Don't trust me)

What if I was there?
And what if I was scared?
I'm waitin' for
They're at my door
But I'll be back again
And I'll be back again

You wonder why
I don't know
You shout at me
Let me go
You wonder why
I don't know
You shout at me
Let me go

What if I was there?
(Don't trust me)
And what if I was scared?

(Don't trust me)
I'm waitin' for
They're at my door
But I'll be back again

What if I was there?
(Don't trust me)
And what if I was scared?
(Don't trust me)
I'm waitin' for
They're at my door
But I'll be back again
I'm waitin' for
They're at my door
