Little white house  
It's everything we dream about  
We wanted you to know  
I'm hanging up my e-go...

We shouldn't have to fight  
Or worry about the bills tonight  
I wanted you to know  
I wanna be your shadow

Mystery's gone  
So bring back the sun  
Oh bury this hate  
Build it with love  
The mystery's gone  
So bring back the sun  
Oh bury this hate  
Build it with love, ho oh

Little batter high  
Grass wasn't greener I found  
Wanted you to know  
Well I dug you up a rainbow

Mystery's gone  
So bring back the sun  
Oh bury this hate  
Build it with love  
The mystery's gone  
So bring back the sun  
Oh bury this hate  
Build it with love

[guitar solo]

And I know  
I know I failed you  
And I hope  
I hope we get through  
Show me your hand again

And I know

I know I failed you  
And I hope  
I hope we get through  
Soul signed hand

Mystery's gone  
So bring back the sun  
Bury this hate  
Build it with love  
The mystery's gone  
So bring back the sun  
Oh bury this hate  
And build it with love  
The mystery is gone  
The mystery is gone

The mystery's gone  
The mystery is gone mmm hmmm

The mystery's gone  
Bring back the sun  
Bury this hate  
Build it with love

Little white house
