Throw away the radio,
suitcase keeps you awake,
hide the telephone, the telephone, telephone in case,
you realize that some times your just not okay,
you level off, you level off, you level off,
but it's not alright now,
you need to understand, theres nothing strange about
this,
you need to know your friends,
you need to know that

(Chorus)

I'll be waving my hands,
watching you drown,
watching you scream,
quiet or loud

(Bridge)

And maybe you should sleep,
and maybe you just need, a friend,
as clumsy as you've been,
theres no one laughing,
you will be safe in here

Throw away this very old, shoe lace,
that tripped you again,
try to shrug it off, shrug it off, shrug it off,
but it's only skin now,
you need to understand,
theres nothing fake about this,
you need to ley me in,
I'm watching you and

(Chorus 2)

I'll be waving my hands,
watcing you drown,
watching you scream,
no one's around

(Bridge)

(Chorus)

(Bridge)
