I crawled out from the pain of yesterday
I crawled to you and
I said all the things that you said to say
Have I said enough

Do you like it yeah e yeah
Do you like it yeah e yeah

I know why you're playin' these dirty games
They're killing me and
I know how you love to watch me beg
Well here I am

Do you like it yeah e yeah
And do you like it yeah e yeah
And do you like it yeah e yeah, yeah e yeah, yeah e
yeah

I don't wanna be a puppet for you
Don't wanna bite the hand that's feeding
I don't wanna be a sucker for you, oh yes you
I hate myself for begging
I hate myself for staying
I hate myself for listening to,
You, you, you, you, you

It's too little too late
Well I can't escape
So beggin' you please
I changed all the things that you told me to change
I'm on my knees

Do you like it yeah e yeah
And do you like it yeah e yeah
And do you like it yeah e yeah, yeah e yeah, yeah e
yeah

I don't wanna be a puppet for you
Don't wanna bite the hand that's feeding
I don't wanna be a sucker for you, ah yes you
I hate myself for begging
I hate myself for staying

I hate myself for listening to you

I just wanna get out
Stuck inside of this
Waiting for something else
Waiting to exist
Can you offer me help
Help from what I missed, I missed, i

Do you like it yeah e yeah
Do you like it yeah e yeah
Do you like it yeah e yeah, yeah e yeah, yeah e yeah

I don't wanna be a puppet for you
Don't wanna bite the hand that's feeding
I don't wanna be a sucker for you, ah yes you
I hate myself for begging
I hate myself for staying
I hate myself for listening to you oh i

For listening to you oh i
For listening to you oh i
For listening to you oh
