Oh, Johnny wishes he was famous
Spends his time alone in the basement
With Lennon and Cobain and A guitar and a stereo

while he wishes he could escape this
but it all seems so contagious
Not to be yourself and faceless
In a song that has no soul

I remember feeling low
I remember losing hope
And I remember all the feelings and the day they
stopped

We are, we are all innocent
We are all innocent
We are, we are...

We are, we are all innocent
We are all innocent
We are, we are...

Tina's losing faith in what she knows
Hates her music hates all of her clothes
Thinks of surgery and a new nose
Every calorie is a war

And while she wishes she was a dancer
And that shed never heard of cancer
She wishes God would give her some answers
And make her feel beautiful

I remember feeling low
I remember losing hope
I remember all the feelings and the day they stopped

We are, we are all innocent
We are all innocent
We are, we are...

We are, we are all innocent

We are all innocent
We are, we are...

One day, youll have to let it go
Youll have to let it go
No...
One day, youll stand up on your own
Youll stand up on your own

Remember losing hope
Remember feeling low
Remember all the feelings and the day they stopped

We are, we are all innocent
We are all innocent
We are, we are...

We are, we are all innocent
We are all innocent
We are, we are...

We are (one day), we are all innocent
We are all innocent (youll have to let it go)
We are, we are (youll have to let it go, no..)

We are (one day), we are all innocent
We are
