Goodbye, the future's sold out
There's no use screaming
Who thought we'd ever get this far

Tonight, your faith has come down
To money and a TV
Psychics who've never been to Mars
And Nazis breast feeding

I know you must be upset
I can't find meaning
I'm sorry, we're sorry
We're all scared, all scared

Hey, is anybody home?
Has anybody wasted tears on
Loneliness that everyone

Goodnight, the truth has come out
That everyone's needy
White teeth, a ticket to meet God and
Be all that you envy

Shotgun under your bed
Has started breathing
You shot it, you shot it
I'm bare, I'm bare

Hey, is anybody home?
Has anybody wasted tears on
Loneliness that everyone becomes

Is anybody low?
Has anybody painted fear on
Bedroom walls that save us from

And hey, is anybody home?
Has anybody wasted tears on
Loneliness that everyone becomes
When they're not alright?

Hey, is anybody home?

Has anybody wasted tears on
Loneliness that everyone becomes

Is anybody low?
Has anybody painted fear on
The bedroom walls that everyone

Becomes, becomes, becomes
Becomes, becomes, becomes
The loneliness that everyone becomes
