Can you see her standing there  
Well she's trying to find, chose anywhere  
Floweres in her hand  
She doesn't know why

Offered is advice to you  
But all you do was fake it  
And she's only yours tonight  
And she never cries,  
And I know there's pain inside  
There's Julia..ha...ha

Drowning in her own visions,  
Well she's begging the past to stay behind  
Black cat in the night,  
Black cat in that sky

Offered is advice to you,  
You left but I don't blame you  
And she's only yours tonight  
And she never cries,  
But I know there's pain inside  
There's Julia..ha...ha

Digging up the past  
To cross that line  
To bury it  
One last time

Offered is advice to you,  
And all you do was fake it  
I know there's pain inside this truth  
But you just have to face it

And she's only yours tonight  
And she never cries, Mother,  
I know there's pain inside  
There's Julia..ha...ha  
Yeah  
There's Julia..ha...ha  
Yeah, o

Nooo!  
Yeah!  
Aah!  
Hoo  
No o  
Aaha  
(fade and slow)  
There's Julia..ha...ha  
Yeah  
There's Julia..ha...ha  
Yeah  
There's Julia..ha...ha
