I can be anything that you want me to be
A punching bag, a piece of string, oh
That reminds you not to think

I found the note down in your car
And it's not your fault it gets this hard
Gets this hard

Hold your head high
Don't look down
I'm by your side
Won't back down
You wanted a hero tonight

Well I'm not made of steel
I'm not made of steel
But your secrets safe with me

I can be anything that you want me to be
A holy cross, some sympathy, oh
That reminds you not to bleed

I found the note down in your car
And you climbed up here to fall apart
Fall apart

Hold your head high
Don't look down
I'm by your side
Won't back down
You wanted a hero tonight

Well I'm not made of steel
I'm not made of steel
But your secrets safe with me

No...
Your secrets safe with me

They knock you down
I'll pick you up...
They laugh at you

I'll shut them up

But I'm not made of steel
But I'm not made of steel
But I'm not made of steel
But your secrets safe with me
Yeah
Your secrets safe with me
But yeah

Hold your head high
Don't look down
I'm by your side
Won't back down
You wanted a hero tonight
