Naveed / Life

Come come Naveed  
Come come Naveed  
Come come stay  
Come come Naveed  
Come come Naveed  
Come come Naveed  
Go

Are you there?  
Is it comfortable?  
No  
Did you want to escape, try to escape the population?  
Sure is deceiving  
For you, particularly  
To let a young man die... Oh no  
Let him die if he wants to, die if he wants to

But I can't live here anymore  
But it's hard when you reach for that floor  
And there's something that tears me inside, so I can't  
go  
I can't go  
Go

Brother, are you there?  
And ell me is it wonderful?  
No  
Or were you hoping to find, hoping to find  
Something a little more, more, more now?  
Counting down the hours, well, I need to know now  
Do the hands of time only rule this chapter?  
I'll have to try once again, oh, oh no  
Have to try when I want to, try when I want to

I can't live here anymore  
But it's hard when you reach for that floor  
There's something that tears me inside  
Oh but I can't live here anymore  
Any  
Oh, anymore

(spoken): I need to see you people. Ben, turn this light up.

You're a good looking bunch... You're a good looking bunch of people.

And how many times have you been pushed around?  
Is anybody there? Does anybody care?  
And how times have your friends let you down?  
Was anybody there? Did anybody stare?

Oh life, well it's waiting for you  
It's all messed up, but we're alive  
Oh life, is waiting for you  
And it's all fucked up but we'll survive  
We'll survive...

We'll survive

Oh oh, La-oh, La-oh, La-oh  
Oh oh (crowd: oh oh)  
No oh (no oh)  
No oh (ho oh)  
No oh (no oh)  
No oh (no oh)

We'll survive

There, he's on his knees again  
He's trying hard to understand  
Why Naveed would let a young man die  
Convinced that he might break  
As he reaches for that phone  
And another day... well it's gone  
Oh, another day is gone  
Yeah, this other day  
Is gone, is gone, is gone, is gone  
Is gone, is gone, is gone, is gone  
Is

I can't live here anymore  
But it's hard when you reach for that floor  
Something that tears me inside  
Brother, I can't live here anymore  
But I can't live here anymore  
But I can't live here anymore  
I can't live here anymore, oh no  
But I can't live here anymore  
Anymore...
