Come come Naveed
Come come Naveed
Come come say
Come come Naveed
Come come Naveed
Come come Naveed
Go

Are you there, Is it comfortable? No
Did you want to escape, try to escape this population?
The pressure is deceiving for you particularly
To let a young man die? Oh no
Let him die if he wants to, die if he wants to?

But I can't live here anymore
But it's hard when you reach for that floor
And there's something that tears me inside, so I can't
go
I can't go
Go

Brother, are you there?
Tell me is it wonderful? No
Were you hoping to find, hoping to find
Something a little more, more, more now?
Climbing down the hours, Well, I need to know now
Do the hands of time only rule this chapter
I'll have to try once again, oh, oh no
Try when I want to, try when I want to

But I can't live here anymore
But it's hard when you reach for that floor
There's something that tears me inside
Oh but I can't live here anymore
Any
Oh, anymore

Raine: I need to see you people. Ben, turn this light up.
A good looking bunch of - A good looking bunch of
people.

How many times have you been pushed around?

Is anybody there? Does anybody care?
And how times have your friends let you down?
Is anybody there? Does anybody stare?

Oh life, it's waiting for you
It's all messed up but we're alive
Oh life, is waiting for you
And it's all fucked up but we'll survive
We'll survive

We'll survive

Oh oh, La-oh, La-oh, La-oh
Oh oh (oh oh)
No oh (no oh)
No oh (ho oh)
No oh (no oh)
No oh (no oh)

We'll survive

Prayer's on his knees again
He's trying hard to understand
Why Naveed would let a young man die
He's convinced that he might break
He reaches for that phone
And then another day it's gone
Oh, another day is gone
Yes, another day
Is gone, is gone, is gone, is gone
Is gone, is gone, is gone, is gone
Is

But I can't live here anymore
But it's hard when you reach for that floor
There's something that tears me inside
Oh but I can't live here anymore
But I can't live here anymore
But I can't live here anymore
I can't live here anymore, oh no
But i can't live here anymore
