Come come Naveed
Come come Naveed
Come come Naveed
Come come save
Come come Naveed
Come come Naveed
Come come Naveed

Are you there and is it comfortable?
Did you want to escape, try to escape the population?
Sure is deceiving for you particularly to let a young
man die
Oh let him die if he wants to, die if he wants to

I can't live here anymore
But it's hard when you reach for that floor
There's somethin' that tears me inside
So I can't go

Brother, are you there?
Now tell me, is it wonderful
Or were you hopin' to find, hopin' to find
Somethin' a little more

Counting down the hours, I need to know now
Do the hands of time only rule this chapter
I'll have to try once again oh
I'll have to try when I want to, try when I want to

I can't live here anymore
But it's hard when you reach for that floor
There's something that tears me inside
I can't live here anymore, anymore, anymore

There he's on his knees again
Tryin' hard to understand
Why Naveed would let a young man die?
Convinced that he might break
He reaches for that phone
And another day has gone
And another day has gone
And another day has gone

Has gone, has gone, has gone

And I can't live here anymore
But it's hard when you reach for that floor
There's somethin' that tears me inside
I can't live here anymore

I can't live here anymore
I can't live here anymore
I can't live here anymore
I can't live here anymore, anymore

Come, come Naveed
Come, come Naveed
Come, come save
Come, come Naveed
Come, come Naveed
Come, come now
Come, come now

Come, come Naveed
Come, come Naveed
Come, come now
Come, come now
Come, come Naveed
Come, come now
