

Our Lady Peace "Not Enough"

Visit "[Not Enough](#)" on MotoLyrics.com

There's nothing you can say,
Nothing you can do,
Nothing in between,
You know the truth,

Nothing left to face,
Nothing left to lose,
Nothing takes your place...

When they say, you're not that strong,
Well you're not that weak,
It's not your fault,
When you climb up to that hill,
Up to your place,
I hope you're well,

There's nothing left to prove,
Nothing I won't do,
Nothing like the pain I feel for you,
Nothing left to hide,
Nothing left to fear,
I am always here,

When they say, you're not that strong,
Well you're not that weak,
It's not your fault,
And when you climb up to that hill,
Up to your place,
I hope you're well,

What you want,
What you lost,
What you had,
What is gone is over,
What you've got,
What you love,
What you need is real,

If it's not enough,
It's not enough,
It's not enough,
It's not enough I'm sorry,

It's not enough,
It's not enough,
It's not enough,
It's not enough...

When they say you're not that strong,
Well you're not that weak,
It's not your fault,
And when you climb up to your hill,
Up to your place,
I hope you're well,
It's not enough,
No, it's not enough,
It's not enough
