Unreleased rarity played live

Does it have to get me in the morning (in the morning)

Don't believe there's a face that you can't see

Does it stay all alone (alone)

Don't believe, that it's not you, it's not me, it's not hope,
not free

It's an ordinary day

Got it, you got it, you got it (?)

Ordinary day

Got it, you got it, you got it (?)

Ordinary, ordinary

(From here on the song is hard to hear but most of it
sounds like Raine's just repeating the beginning.)

High, high (?)

Does it have to get me in the morning (in the morning)

Don't believe you to say that you can't see

Does it wait all alone (alone)

Don't believe, that not you, not me, not hope, not faith

It's an ordinary day

Got it, you got it, you got it (?)

Ordinary day

Got it, you got it, you got it (?)

Ordinary, ordinary

High, high (?)

But we don't want to lose

but it all (?)

(The rest just sounds like Raine is singing la or lu.)
