

Our Lady Peace "Sorry"

Visit "[Sorry](#)" on MotoLyrics.com

Today's a reason for living
Today's the blood from a stone
Today's a light from a candle
Helping us to find our way home

Today we carry each other
Today the past is a freak
Today's a time for forgiveness
You were never that good to me

(welcome to this world of mine)

I'm sorry, I can't lie
I'm wasting too much time
Drowning I've been blind
But I've opened up my eyes
Sorry, I can't lie
So I just say goodbye
Goodbye
Goodbye
Yeah

Today's tasting the honey
Today's the strike of a match
And today's the lines in the pavement
Helping us to find our way back
Today's the crosses we carry
Today's the strength that we need
And today's the hand of an angel
You were not the kind to believe

(welcome to this world of mine)

I'm sorry, I can't lie
I'm wasting too much time
Drowning I've been blind
But I've opened up my eyes
Sorry, I can't lie
So I just say goodbye
Goodbye
Goodbye
Yeah

Oh what a day, oh what a day, oh my god
Oh what a day, oh what a day, oh my god
Oh what a day, oh what a day, oh my god
And oh my god, and oh my god, yeah

Today we carry each other
Today we do what we should
Today's a time for forgiving
Today I wish I could...

I'm sorry, I can't lie
I'm wasting too much time
Drowning, I've been blind
But I've opened up my eyes
Sorry, I can't lie
So I just say goodbye, goodbye, goodbye
Another bye, goodbye, goodbye
Another bye, goodbye, goodbye, yeah
Another bye, goodbye, goodbye
Another bye, goodbye, bye
