When you fall in love  
You hit the ground so fast  
Never ends nor never last  
Once or twice you rolled the dice  
To only find your lucks gone bad

(chorus)

With out the sour in the hours  
The sweet wouldnt be such a treat  
With out you Im incomplete

I've been in love only once  
But I let him go befor I'd know  
That he was the one for me  
My soul mate my everything

Tryin to figure out my life  
Tryin to make sence of it  
Tryin tryin cryin cryin

Where did you go  
Where did you go  
I wanna knowwwwwwww

That was my song
