From the CD "WWF: Forceable Entry"

There's no holding me back  
I'm not driven by fear  
I'm just driven by anger  
And you're under attack  
I'm just climbing up slowly  
I'm the one and only  
The tease the way the lie  
Stumble in your mind  
The fear, the hope inside  
They hit here!  
But whatever you need  
'Ever you got  
'Ever you want  
I'll take back again  
Whatever you need  
'Ever you got  
'Ever you want  
I'll take back again  
There's no holding me back  
I'm not driven by fear  
I'm just driven by anger  
And you're under attack  
I'm just climbing up slowly  
I'm the one and only  
The tease the way the lie  
Stumble in your mind  
The fear, the hope inside  
They hit here!  
But whatever you need  
'Ever you got  
'Ever you want  
I'll take back again  
Whatever you need  
'Ever you got  
'Ever you want  
I'll take back again  
But whatever you make  
'Ever you got...  
But whatever you make  
'Ever you got

'Ever you want  
I'll take back again  
Whatever you make  
'Ever you got  
'Ever you want  
I'll take back again  
Whatever you make  
'Ever you got  
'Ever you want  
I'll take back again  
But whatever you make  
'Ever you got...  
Whatever you.....  
Whatever you.....  
Whatever you.....
