"Will the futer blame us"

Visit "[Will the futer blame us](#)" on MotoLyrics.com

oohhh ahooh
oohhh ahooh
oohhh ahooh
oohhh ahooh

Well are you disapointed?
And have we destroyed it? I...
Well i've been stumbling down this long and winding
road
And these times are changing
And its complicated, I...
Well I don't wana know!

And I
Don't ask why, anymore
And I
Don't ask why anymore, anymore...

oohhh ahooh
oohhh ahooh

And is it getting better?
And could we live forever? I...
And i'm not sure what the Hell we're fighting for
The money makers
And will the future blame us, I...
ohhh, I don't wana know!

And I
Don't ask why anymore
And I
Don't ask why anymore, anymore...

When your tired and alone
And you feel like letting go
Come home...
When you can't take anymore
And your beat up and ignored
Come home...

Well the sun is in a hole

The past that you don't know
Your a long, long way from home
There are things you need to know
The answers leave you cold
Your a long, long way from home

Summers coming back
And brings a secong chance
If your not part of this...
Well I don't wana know!

oohhh ahooh
oohhh ahooh

And I
Don't ask why anymore
And I
Don't ask why anymore, anymore...

When your tired and alone
And you feel like letting go
Come home...ohhh...
When you can't take anymore
And your beat up and ignored
Come home...
Ohhh coming home...
