I want freedom from this cage that contains me  
All my hopes and dreams are held within  
I seek, release from broken dreams

The path once laid in front of me has quickly turned to  
vine in a forest  
of dreams  
Every feeling that I have had, now lays upon the  
surface

I broke down these walls (For me)  
To set myself free (From you)  
As you bring them back up  
All around me  
My essence is gone  
Iâ€™m leaving no trace  
With your words left behind  
Finding my place.

A half empty life, just falling away  
A blind desire, waiting to see the light of day

I see a land that is so beautiful  
Every branch on every tree is perfection

The portrait of my mind

I broke down these walls (For me)  
To set myself free (From you)  
As you bring them back up  
All around me  
My essence is gone  
Iâ€™m leaving no trace  
With your words left behind  
Finding my place.

Confusion washes over me with a drowning pressure  
A breathless scream that falters  
My arm is held out  
But it is all in vain

I broke down these walls (For me)

To set myself free (From you)  
As you bring them back up  
All around me  
My essence is gone  
Iâ€™m leaving no trace  
With your words left behind  
Finding my place.
