Theres a monster in the room  
Lurking inside of my mind

This is no dream  
Not a man made monster  
Taking my life  
Away from me

Make it stop, make it stop  
Monster, monster  
Make it stop, make it stop

You have taken so much  
How many more things...  
Can you ruin?  
But I am to blame  
This is my nightmare

This is no dream  
Not a man made monster  
Taking my life  
Away from me

This is no dream  
Not a man made monster  
Taking my life  
Away from me

Make it stop

This is my creation  
A weakness from inside  
And now it is time  
That I face it  
Once and for all

This is no dream  
Not a man made monster  
Taking my life  
Away from me  
This is no dream  
Not a man made monster

Taking my life  
Away from me

Make it stop
