You give me hope
In this harsh world
That the sun will always rise

Your hazel eyes, hold me to the ground
I stare into them, trying to find the answers
My heart is whole, within your hazel eyes

If its the last thing I do
It'll be to prove, to you
How much I truly
Love you

I am sorry
That I couldn't be
Everything you wanted

One day your dreams, will come true
And this will be a faint memory

You give me hope
In this harsh world
That the sun will always rise

Within your hazel eyes
Within your hazel eyes
Within your hazel eyes
Within your hazel eyes
Within your hazel eyes
Within your hazel eyes
Within your hazel eyes
Within your hazel eyes
