As the freezing rain cleanses my face,
I don't want to feel this way anymore.

I swear everything I ever said was true,
You let your insecurities get the best of,
YOU!

And I'll beg, for your forgiveness,
And I'll pray for your safety.

I swear everything I ever said was true,
I let your insecurities come true.

This is an apology, I'm screaming I'm sorry.

Can you hear me screaming!
Can you hear me screaming!

I've played you for a fool!
OH!

So bleak is a vision of a world without her by my side.
Forgive me father, for I have sinned.
I'd give anything,
I'd do anything just to see her smile,
I'd give anything just to hold her in, hold her in my
arms once again.
Once again.
Once again.
