The scenery was once green, once beautiful fields.

Once beautiful fields now lay, lay bearing to a
thousand white crosses.

Such a waste of human life,
Is this the path of a hero?
Or the misleading of the innocent, misleading of the
innocent?

The scenery was once green, once beautiful fields

Young eyes have seen too much already!
When will this slaughter end?
When will this slaughter end?
When will this slaughter end?

When will this slaughter, when will it end! ?
When will this slaughter, when will it end! ?
When will this slaughter, when will it end! ?
When will this slaughter, when will it end! ?
When will this slaughter, when will it end! ?
When will this slaughter, when will it end! ?
When will this slaughter, when will it end! ?
When will this slaughter...
