I thought I've met my perfect match, he had it all
including me.
He had the coolest guitar, and wrote me lovesongs
(hears like)
"You rock my world"

I was amazed by this beautiful thing
Guess I was blind by his show
I was just a part of his stupid game
The player has gone insane

[Chorus]
He's a rock'n'roll bachelor straight from hell
Posing like a fool with a devil's grin
He was under my skin like a fucking snake
Then I knew his heartbeats were fake

Motherfucker
Shouldn't play with me
You'll get burned 'cause
I rock the world tonight

[Chorus]

Check him out, you can have him
He will please you baby like you've
Never been pleased
Check him out, you can have him
'Cause he's nothing but a nice
Tight blue jeans ass to me

[Instrumental, guitar]

He have the coolest guitar,
he wrote me beautiful songs,
But he lost it all tonight

[Chorus]

Sheck him out, you can have him,
He will please you baby, like you've never been

pleased,
Sheck him out, you can have him,
'Cause his nothing but a nice time,

YES, He's a rock'n'roll bachelor straight from hell
Posing like a fool with a devil's grin
He was under my skin like a fucking snake
Then I knew his heartbeats
Were fake

'Cause he's nothing but a nice time, flu disease to me.
