Just say hey, if it feels alright
Just say hey, yeah, if you feel alright
Just say hey, if it feels alright
Just say hey, yeah, if you feel alright

Pay attention, listen here
Crystal's gonna make it clear
Everybody here tonight
Better have a real good time

Let your hair down and decide
Come go with me for the ride
Don't sit down, get on up
Join in with the rest of us

Hands in the air wavin'
I want your body shakin'
Foot stompin', music rockin'
No, we are never stoppin'

Higher and higher
We're goin' higher
Higher and higher
We're goin' higher

Just say hey, if it feels alright
Just say hey, yeah, if you feel alright

It's the slam, it's the jam
Every child, woman and man
Use your skills you possess

If you wanna pass this test

Don't concern, just go out
Turn it up until it's loud
Scream and shout, use your lungs
As y'all join in this have some fun

Hands in the air wavin'
I want your body shakin'
Foot stompin', music rockin'

No we are never stoppin'

Higher and higher
We're goin' higher
Higher and higher
We're goin' higher

Just say hey, if it feels alright
Just say hey, yeah, if you feel alright
Just say hey, if it feels alright
Just say hey, if you feel alright

Feel the power, feel the heat
Feel together, feelin' free
There's no need to ask why
Don't let time pass us by

Come on out, feel the flow
Just look yourself and go
It's alright, it's alright, it's alright, oh
[Come now, come now, come, come]

Just say hey, if it feels alright
Just say hey, yeah, if you feel alright
Just say hey, if it feels alright
