He's obtuse up there.
She's up to something.
And I can't breathe.

4 A.M.
And I was sleeping, but the phone just rang.
Dead Air.
And someone breathing who's up to something.

I'll leave and let you go
And though you're moving a little too slow.
I'll even let you know.
You did the right thing.

Hes....
Shes...
And I can't breathe..

4 A.M.
And I was sleeping, but the phone just rang.

Hello?
Dead Air.
And someone breathing who's up to something.

I'll leave and let you go
And though you're moving a little too slow.
I'll even let you know.
You did the right thing.
