Fast Eddie thought he was free  
Cutting and conniving, confiding in me, he said  
"I've got a fast car that shimmers and shines  
My name is know up and down the line!"  
He wants that kick-back whiplash living it up  
Like those big bad kids that like it rough

I want that badge back Mama  
Been living in a dark place, oh yeah

I've got no place to go  
I want to ride tonight  
As a witness to that war outside  
Your hands in mine like the hands of time

Hey man I want to figure it out  
I want the goddamn answers and I need them now  
"I don't want to put up a fight  
I don't want to take your hand tonight!"

I want that badge back Mama  
Been living in a dark place  
I want that badge back Mama  
Been living in a dark place, oh yeah

I've got no place to go  
I want to ride tonight  
As a witness to that war outside  
Your hands in mine like the hands of time

Nostalgia prunes, eats away at his skin  
It's like high-noon with no way to win  
I'll pull that old rifle right out of the ground  
With my new shades on I'm gonna take this town

I want that badge back Mama  
Been living in a dark place, oh yeah  
I want that badge back Mama  
Been living in a dark place, oh yeah

I've got no place to go  
I want to ride tonight

As a witness to that war outside  
Your hands in mine like the hands of time
