I see kids fighting to find a voice
They've been swimming in a sea
Without a shore or a choice
Sometimes it's like I'm without a home
Last night I walked
A thousand miles alone

Dai dai dai dai dai dai dai dai...

I walked and wandered
Paused and pondered
In these times
I can't live like this any longer
Your well is running dry
As the oceans rise
If I'm right we got one shot tonight

Dai dai dai dai dai dai dai dai...
This is a fighting song

I can't waste many moments
Can't lose any more days
I've read the history
We need more than a page
Each year in this life
Is like a blink of an eye
Tonight I tell you
It is fighting time

Dai dai dai dai dai dai dai dai...
This is a fighting song

All of our people
All across the world
They want something more

Look down at our planet
From the heavens above
See it as it is
See it as it is
No borders or banks
No wars or tanks

No nations, no nations
I've got my dreams when I sleep
And I've got these dreams that really could be

Dai dai dai dai dai dai dai...
This is a fighting song
Go!
