I've been bombarded and bruised
Brutalized and used
Pigeon-holed and confused
Pushed down and abused
Like an ostrich, your head's in the sand
A cartoon-man in a fantasy-land

I don't want it, I'm on another tip
I don't want it, I'm on some other shit
I don't want it, I'm on another tip
I don't want it, I'm on some other shit

In a bonfire waiting for you
I'm like a live-wire motherfucker light up my fuse
Your feet to the fire
Get out of that glue
Impatient like a watch moves
Get you some truth

I don't want it, I'm on another tip
I don't want it, I'm on some other shit
I don't want it, I'm on another tip
I don't want it, I'm on some other shit

You're in their sights
Don't hide, don't hide, don't hide
You're in their sights
Don't hide, don't hide, don't hide
[X2]

Under the covers suffocating from shame
I wanna know, yeah, I wanna know are you still
breathing?
The ambitious and sleepless
The truthseekers who need this
The real fighters and dreamers
Emancipators who see this know that

I don't want it, I'm on another tip
I don't want it, I'm on some other shit
I don't want it, I'm on another tip
I don't want it, I'm on some other shit

You're in their sights
Don't hide, don't hide, don't hide
You're in their sights
Don't hide, don't hide, don't hide
[X2]

Hey,
Hey
Heyyyyy!
Hey, hey
