Without a word I'd know what to say  
If you stared at me my eyes would refuse to stray  
61 seconds is all it takes  
For the 9 to 5 man to be more than one minute late

There's a clock on the wall  
A mirror reflecting it all  
Just an imageless photograph

To wake up not knowing where I am today  
I don't drive the same car  
I don't live the same way  
61 seconds is all it takes  
For the 9 to 5 man to be more than one minute late

There's a clock on the wall  
A mirror reflecting it all  
Just an imageless photograph  
Whoa oh oh oh  
There's a space in a frame  
Can you imagine a man with no name  
I can, I can, I can  
Yeah!

61 seconds is all it takes  
For the 9 to 5 man to be more than one minute late

There's a clock on the wall  
A mirror reflecting it all  
Just an imageless photograph  
Whoa oh oh oh  
There's a space in a frame  
Can you imagine a man with no name  
I can, I can, I can  
Whoa oh oh oh oh
