I can't believe the things that happen to me
I guess that I should have seen a long, long time ago
Letters you write don't help me get through the night
So I'll just turn out the light and sleep here all alone

All the love, all the love in the world
All the love, I'll be sending you, girl
All the love, all the love in the world

Time after time, I put my life on the line
But I ain't committed no crime, so take what you can
find
Forget what I say 'cause I'll keep running away
I only live for today, but I'm one day behind

All the love, all the love in the world
All the love, I'll be sending you, girl
All the love, all the love in the world

These are the words that I whisper on every first night
But that day you left me those words were on that
same flight

I can't believe the things that happen to me
I guess that I should have seen a long, long time ago
Letters you write don't help me get through the night
So I'll just turn out the light and sleep here all alone

All the love, all the love in the world
All the love, I'll be sending you, girl
All the love, all the love in the world
All the love...All the love, all the love in the world
